

HEALING PRAYER For Brother ChiSing

Beloved Spirit,
Source of All and Everything, and my True Self:
You are the Infinite Light
You are the Infinite Love
You are the Infinite Life
of all Enlightened Teachers and Awakening Beings!
You are the Reality of Wholeness of which I am a part.
I am always in the Center of Your Heart of Grace.
I am eternally a Divine manifestation of Enlightenment, here and now.
This body, this mind, this Consciousness,
is an expression of Wisdom and Compassion,
Peace and Joy, Goodness and Beauty!

I recognize and receive the many Blessings of the Universe.
I allow myself to be a channel of blessing to all beings.
I pray for Brother ChiSing, holding him in the Light
of perfect Health, Healing and Wholeness.
I pray the same for myself and all beings.
I see Brother ChiSing as completing his healing process NOW
from all cancer or tumor or any other affliction in his body or mind.
I hold the spiritual vision of Brother ChiSing rejoicing victoriously
by the Summer Solstice of June 21, 2015,
with NO trace of tumor or cancer left in his body.
I affirm that Brother ChiSing has the vision in his right eye fully restored.
I know that he is completely protected from any harm from the medical therapies
he will be treated with during the entire month of May.
I pray for complete Health, Healing and Wholeness
for Brother ChiSing and for myself and for all beings everywhere!

I rejoice in the Real Power of True Prayer and Meditation.
My spiritual practice is never in vain, never for nothing.
I give thanks that I am a Divine co-creator in this Divine Universe.
I am so grateful that my deepest intentions and beliefs
have the Divine Power of Manifestation.
"I let go and let God; I let be and let Buddha!"
I entrust my sincere prayers and meditations to You
and to all Buddhas and Bodhisattvas.
I rejoice and I celebrate the abundant assistance
of Angelic Energies and Spiritual Guidance.
Truly, "I Am Home."
Truly, "Thy Will Be Done."
Truly, "All Is Well."
Truly, "I Am Safe, I Am Loved, I Am Free."
Truly, the Pure Land of the Buddha is here and now!
Truly, the Kingdom of Heaven is come on Earth!

OM MANI PADME HUM!
AMITABHA!
And So It Is!
Amen!
