Once in a lifetime...
8-8-08

The number "8" is universally recognized as a sacred symbol of New Beginnings in many traditions around the world. For example, the Buddha taught the Noble Eightfold Path of Enlightenment, and the name of Jesus Christ in the original Greek New Testament has a numerical value of "888." And on 8-08-08, we have a once-in-a-lifetime opportunity to affirm and manifest another New Beginning, for a New Earth, here and now.
